Mr. A. Brandt Reed

Camp Pinnacle

Dear Mr. Reed:

Confirming our telephone conversation this morning, I understand that your group has made a proposal to my client, The Troy Record Company, which proposal is now in the hands of your attorney and as soon as he puts it in presentable legal form it will be submitted.

This is indeed gratifying and I am sure your proposal will receive very serious consideration. At least it will be a real starting point incident to our common objectives. The selection of a specific site can be determined later.

I earnestly hope that your attorney will have completed the draft of the proposal by the end of this week. As explained, we are working very close to a dead-line and time is an important element after these many months of negotiating.

Rather than telephone you the end of the week I will not bother you. I know that when your attorney is ready to submit the proposal he will put it in your hands without delay. All we can hope is that it will not be unduly delayed.

Will you kindly send the proposal directly to Mr. Frank L. York, General Manager of The Troy Record Company, Troy, N.Y. This will save time.

Again assuring you of my gratitude
for your decision and with kindest
personal regards, I am,

Very sincerely,
