Dear Frank:

I returned to town too late yesterday to contact you because it was Saturday and I assume your office is closed at noon.

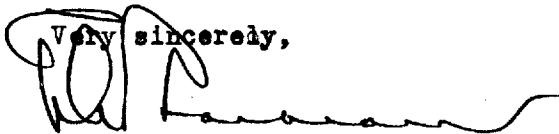

I am leaving again tonight ( Sunday) for Lockport and Oswego but expect to return about Thursday.

Copy of your letter to John Barron was in my mail on my return and I do hope he gets busy and gives us some action.

By the time I see you later in the week, very likely you will know more about the church property. There is a tremendous amount of work to be done on your studio installation and the sooner I start planning the better I will like it.

If Barron might conceivably be paying you a visit within the next three or four days, I hope you will telephone me at either of my other two jobs in western New York as I certainly want to be present when he comes.

Very sincerely,
