Mr. Walter Watson  
c/o Professor Winslow  
Rensselaer Polytechnic Institute  
Troy  
New York

Dear Mr. Watson:

This will serve as confirmation of the message relayed to you today by Miss Blake, secretary to Mr. Frank L. York of The Troy Record Company.

It is satisfactory for you to proceed with the measurements and floor plan at Hotel Troy in strict compliance with instructions given you last Monday. We will want your drawing in heavy enough black to be blueprinted and the scale should be 1/4" to the foot.

Please title the drawing as follows:

Proposed space in Hotel Troy for  
the broadcast studios of The  
Troy Record Company.

It was agreed that The Troy Record will pay you \$15.00 for the preparation of this drawing. Please deliver the drawing personally to Mr. York on completion and encase it in a tube for preservation.

Later as our planning advances we may ask you to prepare miscellaneous working drawings of various construction details.

I hope you can have your drawing ready some time early next week.

Cordially yours,

EAB/MW
