Dear Frank:

This is to confirm that we have a date with Mr. J. Kenneth Kampf on Pinnacle mountain at ten o'clock Thursday morning. It was agreed that we will each drive our own cars and meet at the top of the hill. If the weather is stormy and the ground condition wet I presume it will be best to postpone the trip.

I talked at length today with Mr. Kampf about the grade of our proposed road and he believes that he can so engineer it to bring the ~~hill~~ level down to about a ten percent grade. He will discuss this possibility with us Thursday.

Very sincerely,
